

RAHEEL SIDDIQUI

Director / Senior Director, Oncology — Commercial Leadership

Lombard, IL 60148 | Authorized to Work in the USA (Green Card) | raheelsiddiqui06@gmail.com | linkedin.com/in/raheel-siddiqui-b97b38176

EXECUTIVE SUMMARY

Results-driven pharmaceutical commercial executive with 20+ years of progressive leadership, including enterprise-wide P&L accountability for a multi-entity portfolio grown from USD ~160 million to ~167 million within 6 months and direct oncology business development experience. Proven track record building and scaling commercial organizations of 2,200+ professionals across Asia and Africa, with hands-on oncology brand launches, formulary access strategy, and new product development. MBA in Marketing. Authorized to work in the USA, seeking to apply deep commercial and oncology business-development expertise within the US oncology pharmaceutical/biotech market.

CORE COMPETENCIES

- Oncology Portfolio Strategy & Lifecycle Management
- Oncology Brand Launch & Formulary Access
- New Oncology Product Development
- International Market Expansion
- Cross-Functional & Medical Affairs Alignment
- HCP Engagement & Stakeholder Management
- Enterprise P&L Leadership
- Commercial Strategy & Transformation
- Go-to-Market Strategy & Execution
- Sales Force Effectiveness
- Digital Commercial Transformation
- Talent Development & Leadership Pipeline

CAREER HIGHLIGHTS

- Assessed new oncology business opportunities and led new product development proposals as Business Unit Head at ATCO Laboratories; supported the launch of Taxot, Paclitaxifil & Pantestone (IMS Best Launch, Q1 2010) and Syngab 100mg (One Star Brand Award, 2008–2009).
- Grew the enterprise portfolio from USD ~\$160M (PKR 46B) to USD ~\$167M (PKR 48B) within 6 months as Chief Commercial Officer, Hilton Pharma, with full multi-entity P&L accountability.
- Grew the Methycobal brand — a leading neurology therapy — to a USD ~\$27.6M (PKR 8 billion) run-rate within 6 months at Hilton Pharma, reinforcing the company's position as Pakistan's No. 1 player in the neurology segment.
- Advanced Hilton Pharma from 7th to 6th position in the Pakistan pharmaceutical market ranking by growth and company value during his tenure as Chief Commercial Officer.
- Advanced Getz Pharma from 2nd to 1st position in the Pakistan pharmaceutical market ranking by growth and company value.
- Grew the Risek brand from USD ~\$24.1M (PKR 7 billion) to USD ~\$44.8M (PKR 13 billion) under his commercial leadership.
- Led and scaled commercial organizations of 2,200+ professionals across sales, marketing, medical affairs, training, and distribution functions across 5 international markets (Sri Lanka, Cambodia, Kenya, Uganda, Uzbekistan).
- Doubled Helix Pharma revenues from USD ~5.5M to ~11.4M (106% growth) within 3.5 years as Head of Marketing & Sales.
- Acknowledged contributor to a national multidisciplinary clinical guideline on low back pain management, published in the peer-reviewed Pakistan Journal of Medical Sciences (2024).

PROFESSIONAL EXPERIENCE

Chief Commercial Officer | Hilton Pharma (Hilton Pharma & Hinocon)

Dec 2025 – Present

Karachi, Pakistan

- Hold enterprise-wide P&L accountability across two operating companies, growing the portfolio from USD ~\$160M (PKR 46B) to USD ~\$167M (PKR 48B) within 6 months through topline growth, margin expansion, and long-term value creation.
- Define and execute the group's go-to-market and commercial vision, aligning multiple business units toward market leadership, customer adoption, and sustainable competitive advantage.
- Lead the largest organizational segment within the group — 2,200+ professionals including 7 direct-report directors — across a matrixed structure spanning Medical, Commercial Excellence, Training, Concept Development, and Distribution functions.
- Drove the Methycobal neurology brand to a USD ~\$27.6M (PKR 8 billion) run-rate within 6 months, and advanced the company from 7th to 6th position in the Pakistan pharmaceutical market ranking by growth and company value.
- Partner with executive leadership and the Board to shape marketing strategy, investment priorities, and long-range business planning, translating commercial data into strategic recommendations.
- Drive international business expansion across Sri Lanka, Cambodia, Kenya, Uganda, and Uzbekistan, building scalable go-to-market and market-entry models.

Commercial Director | Getz Pharma (Pvt) Limited

Jan 2025 – Dec 2025

Karachi, Pakistan

- Led the acute general business division with a USD ~124M (PKR 36B) portfolio and a team of 1,700+ professionals, driving go-to-market execution and market share growth.
- Steered a cross-functional, matrixed leadership team (Finance, Supply Chain, HR, Marketing, Regulatory, Medical Affairs) to achieve organizational objectives.
- Collaborated closely with the Board and Executive Management to shape long-term marketing and commercial strategy and deliver on revenue and profit goals.
- Championed a performance-driven culture emphasizing innovation, accountability, and people development across all business verticals.

Director, Marketing & Sales | Getz Pharma (Pvt) Limited

Jan 2022 – Dec 2024

Karachi, Pakistan

- Accountable for cluster commercial and marketing functions (USD ~69M / PKR 20B portfolio; 1,100-person team), working across Finance, Regulatory, Business Development, Supply Chain, and HR.
- Grew the Risek brand from USD ~\$24.1M (PKR 7 billion) to USD ~\$44.8M (PKR 13 billion) and contributed to Getz Pharma's advance from 2nd to 1st position in the Pakistan pharmaceutical market ranking by growth and company value.
- Developed and executed go-to-market cluster strategies to drive bottom-line revenue growth and customer adoption; oversaw the digital marketing function, integrating modern commercial models into legacy operations.

Director, Business Unit | Getz Pharma (Pvt) Limited

Nov 2020 – Mar 2022

Karachi, Pakistan

- Managed a USD ~34M (PKR 10B) portfolio spanning Cardiology, Diabetology, Gastroenterology, and General Medicine divisions, overseeing brand strategy, market expansion, and customer engagement.
- Oversaw the Digital department while managing core commercial functions and day-to-day business operations with a focus on people development and team retention.

Head of Marketing & Sales | Helix Pharma (Pvt) Limited

May 2017 – Nov 2020

Karachi, Pakistan

- Held full P&L accountability for marketing, sales, distribution, institutional sales, sales services, creative, and statistics functions.
- Propelled company revenue from USD ~5.5M (PKR 1.6B) to USD ~11.4M (PKR 3.3B) — 106% revenue growth in 3.5 years through strategic distributor restructuring and market revitalization.
- Developed new business opportunities and negotiated tender business with purchasing authorities; designed pricing strategies for institutional accounts.

Head of Marketing | Highnoon Laboratories Limited

Jul 2016 – May 2017

Lahore, Pakistan

- Responsible for marketing functions across Pakistan business; collaborated with sales and business development teams, delivering go-to-market plans to build a loyal customer base.
- Proposed and established Highnoon's first scientific office in Karachi; acted as change agent to transform Highnoon into Pakistan's first fully digital pharmaceutical company.

Business Unit Head | ATCO Laboratories Limited

Jun 2008 – Dec 2013

Karachi, Pakistan

- Led formulary access initiatives, developed business plans, and created brand messages that accelerated revenue growth; assessed new business opportunities in the oncology sector and proposed new product development initiatives.
- Launched Syngab 100mg — awarded One Star Brand Award (2008–2009); Taxot, Paclitaxifil, and Pantestone recognized in IMS Best Launch category (Q1 2010).
- Developed flagship campaign '6 Reasons to Prescribe Syngab,' achieving significant market penetration; promoted 50 team members to higher roles.

EARLIER CAREER

- Director, Marketing & Sales — Pharmatec Pakistan (Pvt) Ltd., Karachi | Aug 2015 – Feb 2016
- General Manager, Marketing & Sales — ATCO Laboratories Ltd., Karachi | Jan 2014 – Aug 2015
